LOT 332 - Winchester Super X - .300 Win Mag Ammunition

Location Brookings, SD

Description

BIDDING IS \$/BOX

Here we have 3 boxes of Winchester Super X - .300 Win Mag Ammunition. Winchester Super-X ammunition has developed a reputation as being hard hitting and reliable. This ammunition is loaded with Super-X Power-Points which feature a unique, exposed soft nose jacketed bullet design that delivers maximum energy on target. Strategically placed notches around the jacket mouth improve upset and ensure uniform expansion for massive energy release. This ammunition is new production, non-corrosive, in boxer primed, reloadable brass cases.
