# PRIVATE PARTY & BREWERY TOUR

Your group of six will enjoy a fun-filled event that starts out with everyone getting a glass of beer to have in hand during the grain-to-glass tour of the beer making process.

Along the way you will have the opportunity to taste and smell the ingredients used to make WLBC beers.

After the tour you will be treated to appetizers and a dinner of your choosing from the WLBC menu.

While dinner is being prepared, you will enjoy a guided beer tasting where the brewer will describe each of the four beers in the tasting flight.

You will learn about the origins, ingredients, and flavor profile of each beer. Once the tasting is complete, you will enjoy another house pint with your meal.

The tasting and dinner will be at a private table within the brewing area of Wooden Legs Brewing Company.
