Description

BIDDING IS \$/BOX

Here we have 2 boxes of Hornady American Gunner 6.5 Creedmoor Ammo. The American Gunner® line of ammunition is a collection of tried-and-true, versatile loads that are popular with shooters for their target shooting, hunting or self-defense needs. Made in the USA with premium components, American Gunner® ammunition combines generations of ballistics know-how with modern technology.

Product Features

Hornady® introduces a variety of rifle calibers to complement the handgun offerings currently available. These rifle options are loaded with match grade hollow point bullets for a broad range of use including self-defense, target shooting, and varmint/small game hunting.

HORNADY® BULLETS

XTP® (eXtreme Terminal Performance), HP and BTHP bullets are exceptionally accurate and deliver excellent versatility and superior ballistic performance.

VERSATILE AND FUN

Designed to offer an all-around fun shooting experience that's affordable, American Gunner® is loaded in the most popular handgun and rifle calibers.

QUALITY BRASS, PRIMERS AND PROPELLANT

Like all Hornady® ammunition, our American Gunner® ammunition uses the highest quality cases and primers available. Loaded to conventional velocities, American Gunner® functions in any gun. Consistent components translate to consistent shooting in the field.
